

Public Notice

The following notices are posted on behalf of the Duke of Kernan. The Duke finds himself called away to deal with matters of grave urgency in Tiola-Moldre. In absentium, Reginald shall represent your Lord.

The Honor Companies of the Duke seek volunteers. Reginald will oversee recruiting. See him at the Frog Leap in every Fireday when Yelm is at his peak.

Please help me kind folk. My two sons, Oats and Alfalfa, departed for the Halfling paradise three seasons ago, and I have heard no word yet.

The recruiters are mum.

Please help a mother come to peace of mind.

Wages are negotiable. See me at Frog Leap Inn.

Buttercup the Hobbit

Pringsley the Swineherd is troubled by wolves and will offer a fair price for every wolf pelt recovered. Wages are darn good. Dalacir has the details.
